Dear Sir:

In response to the restriction requirement made in the Office Action, mailed October 3, 2003, the Examiner has identified two patentably distinct inventions, namely claims 1-14 and claims 15-35. The Examiner has required Applicants to elect one of the inventions. Therefore, Applicants elect the invention corresponding to claims 15-35. This election is made without traverse.

Respectfully submitted,

12/2/03
